

THE GREATEST SINGLE CONTRIBUTION  
TO HOME DEVELOPMENT IN QUEENSLAND

# TORBRECK

## Introduces a NEW CONCEPT OF GRACIOUS LIVING

The magnificent building of 150 Home Units at Highgate Hill, Brisbane, is now rapidly approaching its final stages, and its completion will be a very important event of our Centenary Year.

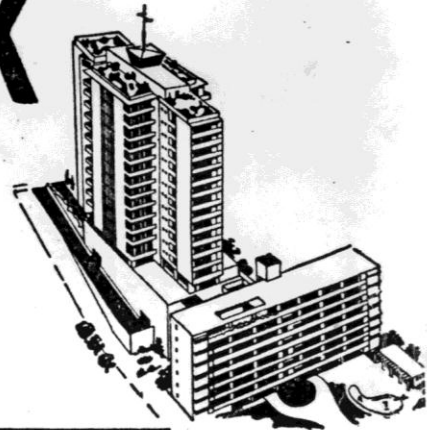

Only a few units remain unsold, and the Directors are confident that even these will be disposed of before the completion of the Garden Block at the end of June.

The Directors of TORBRECK Pty. Ltd., are also happy to announce preliminary plans for the erection of two further projects for the Gold Coast—TORBRECK - SURFERS, and TORBRECK - BURLEIGH. It is sincerely hoped that they will be able to make a further contribution to Queensland's Centenary Celebrations by commencing work on these buildings before the end of the year.
